

# Shanghai Jiao Tong University “The Belt and Road Initiative” Advanced Training Program Innovation in Seed Industry and Green Agriculture

## About the BRI Training Program

Shanghai Jiao Tong University “The Belt and Road Initiative” Advanced Training Program—Innovation in Seed Industry and Green Agriculture aims at recruiting talents from “The Belt and Road Initiative” countries to join the academic training in the field of green agriculture.

## Training Contents

- ▶ Academic presentations
- ▶ Field trips to agriculture industry and base
- ▶ Chinese culture tours.

## Training Period

The training program will last for 1 week, from Nov.13<sup>rd</sup> to Nov.19<sup>th</sup>, 2023.

## Recruiting Targets

1. Professors, Assoc. Professors, lecturers, and postdocs in universities and research institutions who are associated with agricultural areas;
2. Government officials associated with agricultural areas;
3. Corporation elites associated with agricultural areas.

## Expenses

1. SJTU will cover tuition, local lodging (standard double room) during the period of training, and field trip fees.
2. Participants shall cover their own airfare, insurances, visa application fees, and other personal expenses.

P.s. Participants will be provided with standard double rooms during the training period. If you need single room, please contact us for special request. The extra lodging fee led by single room request or extended staying time will be covered by participants on their own.

## Application
